## SUMMARY

- A passionate coder who desires to learn, experiment, and explore technical, analytical, and problem-solving skills and has an interest in solving various algorithm problems.
- Have a keen interest in Data Structure, Algorithms and Problem-solving.

## EDUCATION

**B.E. Computer Engineering** – PICT , Pune

JAN 2021- PRESENT

- CGPA: 9.25

**H.S.C Maharashtra State Board** –P.V.P.College of Arts, Science and Commerce, Loni

AUG 2019 - MAY 2020

- Percentage: 82.46

**S.S.C. Maharashtra State Board** – P.Dr.V.V.P.V.Loni

JUN 2017 - MAR 2018

- Percentage:93.40

## PROJECTS

**Roadmap Website for Students(Techlance)**

01/2022 - 05/2022-

- Implemented an informative website to guide the students about the different technical domains and their roadmap t. It also includes a blog facility to provide new updates.
- Tech stack: HTML,CSS,ReactJS ,Firebase
- Github:- <https://github.com/krushna30/myapp>
- **Portfolio Website**  
04/2022 - 05/2022 -
  - Web App for management of Projects which works as a virtual resume.
  - Tech stack: HTML,CSS ,ReactJS

## CERTIFICATIONS

- MERN stack Certification from Kode IT Solutions.
- Hackerrank:- Problem Solving (Basic) , C++, JAVA , MYSQL Certifications
- Meta HackerCup Round 2 Qualification Certificate

## SKILLS

- **Programming Languages:-** C++, Java basics, JavaScript.
- **CS Fundamentals -** DBMS , DSA, OOP
- **Web Technologies :-** HTML, CSS , React, Bootstrap
- **Tools / Frameworks:-** *Github, Vs Code*
- **Database:-** MYSQL

## INTERESTS

- Web development
- Competitive Programming
- Learning new skills

## ACCOMPLISHMENTS

- **Meta HackerCup 2022:** 2993<sup>rd</sup> *rank* in Round 2
- **Codechef - 3 star (*max rating.1708*)** Global Rank: 172(*July '22 lunchtime*)
- **Codeforces: -Pupil**
- **Hackerrank-Gold Badge** in CPP, 3 Star in SQL database
- Solved more than 300 coding problems on different coding platforms

## CODING PROFILES

-  [Codechef](#)
-  [Codeforces](#)
-  [Leetcode](#)
